## Ursinus Defeated But Not Disgraced in Battle with Swarthmore

Breaks of the Game Decide and Give Opponents 13-6 Victory

SUBSTITUTIONS KEEP BACKFIELD STRONG

Swarthmore, overwhelming Ursinus in both weight and experience, was giving the fight of its life Saturday when the old "U" succumbed to a 13-6 defeat.

The big Garnet team took advantage of the breaks of the game in scoring the winning touchdown by a blocked punt. In the waning minutes of the 2nd quarter Clark touched Wilcox's punt on Swarthmore's 40 yard line but the ball continued up the field and Korn the Swarthmore captain, picked it up and dashed over the goal line. Sommers blocked the try for point after touchdown.

Ursinus kicked off and Evans was downed on his 40 yard line. Line bucks by Wilcox and Richards gained a first down. A long end run by Evans gained another first down. Stafford went in for Henkels. A forward pass Wilcox to Korn placed the ball on the 8 yard line and Wilcox plunged over for a touchdown. Richards added the point after touchdown by a placement kick.

Ursinus again kicked off and Korn ran the ball to his 25 yard line. Ursinus held and Wilcox punted to Derk who was downed on the 40 yard line. The Garnet line held and a forward pass grounded. Clark then tried for a field goal from the 38 yard line which fell short and rolled behind the goal posts. Swarthmore was given the ball on their 20 yard line. Wilcox immediately kicked to mid-field. Three attempts at forward passing were broken up and Derk punted to Shuster who was downed on his 35 yard line as the period ended.

Swarthmore gained 4 yards on a line plunging by Richards. Wilcox failed to gain. Wilcox punted to Erb who ran the ball back to his 38 yard line. Sommers gained 3 yards off tackle. A forward pass grounded. Korn intercepted a pass and ran through the entire team for 25 yards but Sommers by wonderful sprinting caught him. Sommers was hurt during this play. Swarthmore tried an aerial attack but it failed to gain. Wilcox's punt was touched by Clark and Korn recovered it before Erb could reach it and went over the line behind fine interference. Sommers blocked Richards' try for point. Swarthmore kicked off and Derk ran the ball to his 20 yard line. Diehm was substituted for Sommers. Erb tried several forward passes without success and Derk kicked to Shuster as the half ended. Score: Swarthmore, 13, Ursinus 0.

The second half started with Swarthmore kicking off. Both teams exchanged punts frequently during the third quarter with Derk out-punting Evans and Wilcox by many yards Ursinus made many substitutions during this period. End runs gave Ursinus three first downs and a penalty for off-sides gave a fourth. Swarthmore tried an aerial attack which failed. The quarter ended.

The last period opened with Ursinus in possession of the ball on her 40 yard line. The big Red backfield suddenly woke up and unleashed a gruelling attack upon the line and through the air. Passes from W. Moyer, who took Derk's place, to Erb gained three first downs and placed the ball on Swarthmore's 20 yard line. A pretty forward from S. Moyer, who took Sommers place, to "Scurvy" Evans gained 12 yards and a first down. Jones, who went in for Stan Moyer, gained 2 yards through the line. Jones and Erb failed to gain and on the last down Swarthmore held on their 2 foot line but a Garnet jerseyed man was

Derk .... fullback ....	Wilcox

Substitutions: Ursinus—Stafford for Henkels, W. Moyer for Derk, S. Moyer for Sommers, Diehm for Smith, Sommers for Diehm, Jones for S. Moyer, Hoagey for Jones; Swarthmore—Palmer for Shuster. Referee—Geiges, Temple. Umpire—Hunt, Mercerburg. Head linesman—Raby, Gettysburg. Time of periods, 15 minutes.

## STRAW VOTE TO BE HELD TUESDAY

Students Will Be Given Opportunity to Vote Before Election Day

RESULTS WILL BE PUBLISHED

Ursinus College will hold a presidential straw vote in Bomberger on Tuesday October 21. The vote will be taken by classes and the results tabulated so that in the next issue of the Weekly these may be published.

The results of the vote will be sent to the Haverford News, where all the members of the Intercollegiate Newspaper Association of the Middle Atlantic States will send their results. Another copy will be sent to The New Student, an intercollegiate newspaper published in New York City. These organizations will send reports concerning the votes in other colleges to the Weekly and to the press of the nation in general. The vote will give a fine opportunity for every one to see how well student opinion reflects the ideals of a nation. It is hoped that every student and member of the faculty, whether of voting age or not will vote on Tuesday.

## CAMPUS PROBLEMS

"What would you suggest to create a better Ursinus spirit?" is the question that was asked of several Ursinus students. Here are their suggestions:

C. Borkey:

"At athletic games every one should turn out and cheer, and show the boys the school is back of them. On the campus cliques should be avoided."

Francis Evans:

"Show more interest in athletics. That will mean better teams, the spirit at Ursinus will be reared."

Hunsicker:

"We need a little more co-operation and less petty jealousies and it would be a good thing to stop this thing of Hall spirit, and all unite for Ursinus. Let the students of Ursinus realize that although it is only a small institution, there is no reason why it couldn't be on top athletically as well as scholastically."

E. Evans:

"If there wouldn't be so many laboratory courses offered in the afternoon, which take people away from regular practice, there would

(Continued on page 4)

## Plants of Region Published by Dean

"A Preliminary List of the Flora of the Perkiomen Region" Title of Booklet

RESULT OF FIELD TRIPS

Students of Ursinus College have for many years admired the interest which the Dean has manifested in the plant life about the campus. People outside the College have often sent flora to Dr. Kline for identification and have always found in him a capable enthusiast to solve their problems. At last the wishes of the botanist have been gratified and there appears in book form the plants of this region.

"A Preliminary List of the Flora of the Perkiomen Region" is the title of the publication which recently appeared and is based on the field work of and compiled by Dr. Whorten A. Kline, T. Royce Brendle, and Joseph R. Mumbauer.

About the year 1915 Dr. Kline, Mr. Brendle and Mr. Mumbauer began to make weekly trips collecting specimens of plant life. This preliminary catalogue rests mostly upon the work done on these trips.

This list of the flora of the Perkiomen Valley is as yet somewhat incomplete for many sections have not been gone over as yet. The banks of the Perkiomen Creek have been pretty well examined but the swamps and woodlands in which the tributaries rise and which are very good botanizing grounds have not been very carefully searched.

The list of flora calls attention to many of the more remarkable plants to be found in the Perkiomen Valley. These include the *Opuntia vulgaris* commonly called "Devil's Tongue" and the "Pitcher Plant."

The nomenclature of the book is based on that of Gray's New Manual. The publication is an accurate and concise guide book to the flora of this immediate section.

## MANY BROTHERS AND SISTERS AT URSINUS

One Tenth of Student Body Has Brother or Sister Here

ARE EASILY DISTINGUISHED

Around every college there are things peculiar to teach. Ursinus has quite a few things peculiar to itself. One of these things worthy of mention is the fact that there are a great number of brothers and sisters attending here.

In looking over the register it is found that there are 13 couples or 26 individuals who have either a brother or sister at Ursinus. This means that approximately one tenth of the student body has a real sister or brother to take care of, instead of the appointed big brothers and sisters.

Six of the thirteen couples are composed of brothers. One set of brothers is in the Senior class. Who does not know of the Herber brothers from New Tripoli, Pennsylvania? The Sophomore class is represented by the Malone brothers from Delta; George and Grove Haines, of Abbottstown; the Strines from Milton; and Stan and Willard Moyer from Quakertown. The Freshman class is also represented in the above mentioned. The two Freshman brothers are Harvey R. Peeler and Shuford K. Peeler, of Kannapolis, N. C.

The Maples is represented with two sets of sisters: The Nickels from Souderton, and the two Bergers from Schuylkill Haven. The five remaining couples are five girls and five boys.

(Continued on page 4)

## P. M. C. GAME

Students and alumni should remember that the game on Saturday, October 25, with the Pennsylvania Military College, Chester, will be played on Roosevelt Field, Norristown. The alumni season tickets will admit the bearer to the game. Students must carry with them their tickets or admission may be refused. The game will start at 2.30 p. m. Roosevelt Field is on Markley street near the Philadelphia and Reading Railroad station.

A "Smoker" will be held in the Field Cage on Thursday evening, October 23, at 7.30 o'clock. All male members of the student body, alumni, and residents of Collegeville are invited to attend. One or two good speakers will be there to help create enthusiasm for a victory over a very keen rival of Ursinus, P. M. C. Come yourself and bring a friend.

## JUNIOR VARSITY LOSES GAME ON FRIDAY

Allentown Prep Team Scores Twenty-two Points on Scrub Team

MUHLENBERG TEAM GUESTS

The scrubs lost to Allentown Prep on Friday by the score of 22-0. The game was played on Muhlenberg Field, Allentown, with Coach "Punk" Wood and his Muhlenberg team as the guests of honor.

The J. V.'s were minus their usual pep and fight and a listless game was the result.

Allentown Prep started off with a rush and advanced to Ursinus' 3 yard line where they were held for downs. Denny kicked to the 40 yard line and again the Prep boys marched down the field. The scrubs held them for downs again and then broke. Allentown Prep had things their own way and scored at will.

For the J. V.'s Corson, Cornelius, Moyer and Faust stood out for their all around playing. The backfield lost a number of chances to score by frequent fumbling. Poor judgment in throwing passes caused a touchdown when Adams intercepted one and ran 0 yards for a touchdown.

For Allentown Prep, Adams, Gallagher, and Hospador played good football.

J. V.'s	Allentown Prep
Reimert .. left end ..	Mendell
Frankenfield left tackle ..	Lewis
High .. left guard ..	Hospador
Faust .... center ..	Gallagher
Peterson right guard	P. Baker
Strine right tackle ..	S. Baker
Kressley .. right end ..	Conroy
Denny .. quarterback ..	Brarman
Lackman left halfback	Krausch
Smith right halfback	Whitaker
Corson .. fullback ...	Adams

Substitutions—Moyer for Denny, Denny for Kressley, Cornelius for Lackman, LaClair for Moyer, Enoch for Frankenfield, Referee, McFadden, Umpire, Conway. Head linesman, Riggs. Touchdowns—Johnson, Adams, 2. Points after touchdowns—Gallagher. Field goal—Gallagher.

## HIGHLAND HALL IMPROVEMENT

The directors of the College have authorized improvements at Highland Hall which will fully equip that building for dormitory use.

An artesian well is being drilled and a deep well pump of the same design as that which operates the main system of the college will be installed and a new steam heating system will be built in. Additional clothes closets are being constructed in a number of the rooms. The work is now in progress and it is expected that all improvements will be complete before Thanksgiving.

## Hockey Teams are Getting into Shape

Good Schedule Includes Penn, Swarthmore and Temple Teams

FIRST GAME OCTOBER 31

Hockey practice has begun in earnest with a good number of girls out every day working hard to make this the best season for Ursinus. A few of the varsity positions are open as a result of the graduation of some of the best players. However, the wealth of new material of the best quality will easily fill these positions. Under the coaching of Miss McGowan the team hopes to break all the past records of Ursinus.

One of the interesting features of this year's hockey season is the inter-hall games which will be played. The first game of this type will be on Wednesday, October 22, when Maples, Glenwood and the Annex will unite to try to defeat Olevian, South and Shreiner Halls. The rivalry is keen and therefore the game should prove to be a good one. It is expected that all the women students will be out to root for their respective hall and it is hoped that the men will do their share of cheering.

Ursinus has a hard, three game schedule with the Swarthmore, Penn and Temple teams. The first game is with Swarthmore on October 31 at Swarthmore. Dates for the other games will be announced later as they have not been definitely decided upon.

There will be inter-class games which always arouse much keen interest and hard playing. The Freshmen are being given special training during their regular gymnasium period since they are new in the game.

The girls deserve the support of the student body in cheering for all games.

## W. S. G. A. HOLDS FIRST MASS MEETING

Dean White Outlines Plans for Vocational Conferences For Girls

HIKING ENCOURAGED

A meeting of the Women's Student Government Association was called by the president, Miss Gretton, on Monday, at 7.30 p. m. The secretary, Miss Leo, read some amendments to the constitution which were adopted without any discussion.

A notice was given to the Freshmen girls to wear their green bands a quarter inch above the eye-brow. Dean White then made a few remarks. (Continued on page 4)

## Editorial Comment

Frequently there are happenings on the campus that should be reported or published in the Weekly. The Editors make it a point to find out about all of these events but at times miss some. A suggestion, hint, or a little note regarding these would be appreciated and would help to make our issues more complete.

We should also like to call the attention of the student body that the motion picture program at Trinity Reformed Church Annex is printed every week in the form of an advertisement. That advertisement, as well as all others, is a source of information to the subscribers. To Patronize the "Weekly" advertisers means a boost for Ursinus.

In the hope that some practical and worthwhile suggestions might be brought to the attention of Ursinus supporters, especially students, the Weekly will, from time to time, have a column in which student, faculty, and alumni opinion will be expressed. This week's question is "What would you suggest to create a better Ursinus spirit?" The answers are printed on another page.

Several students have made suggestions and requests that student opinion be given space in the Editorial columns. The Weekly will be pleased to print such opinions as are of a general nature i. e. suggestions that pertain to more than one or two members of the Ursinus family. Personal prejudices, however, will receive little attention.

The Editors are pleased with the quality of work several of the aspirants to the Staff have done. Without doubt some of the best talent is now available to the Weekly. There must be some more talent that has not been reported. Hand your name to one of the Editors and you will be given opportunities to write. This will give you practical experience and will aid The Ursinus Weekly.

## THE LID IS OFF

One month of the school year 1924-25 belongs to the history of the College. Whatever has been done during this time has been merely of a preliminary nature but now "The lid is off" and the real work should begin.

In athletics there has been a very noticeable progress. The football squad was for a time suffering from a few dissensions and "cliques" which happily, have disappeared. The change of attitude and spirit among the members of the teams has been so noticeable that it bears mention here. The student body, in its support of the teams has been rather spasmodic but the general attitude has been to give enthusiastic support to both the Varsity and Junior Varsity teams. And who can say that the coach, Mr. Zimmerman, has not given his very best to the interests of the team and of Ursinus College? The help of the Assistant Coach, Mr. Stoneback has been unselfish and valuable. Then too, the assistance of several alumni, including Wismer, last year's field general; Pownell, the 1910 star, and Dr. Wood, who is on the field very regularly, is worthy of commendation. This general attitude of mutual helpfulness should carry us through a successful football season. "The lid is off" in athletics, let us all help to keep the pot boiling.

As for academic work, one month should be ample time for the new teachers and students to "take each others measure" and become thoroughly acquainted. Classwork is progressing with a very reasonable degree of efficiency. Some of the new students are still trying to find "what it's all about" but others are doing their work with the skill and proficiency of experienced students. Here too "The lid is off" and real work has begun.

The several organizations for the expression and development of student talent have started to function. The Y. M. and Y. W. C. A.'s, Literary Societies, Groups, Debating Club, Hiking Club, English Club, Glee Clubs and various other groups each have started on their course of usefulness for the year. Criticisms of some of these organizations are in the air most of which never come to the ground. Perhaps the most justifiable remarks are those made concerning the literary societies. As for these it were much better, however, if some constructive suggestions would be offered by those who ex-

press their opinions so freely. In general a "good start" will properly express the position of these societies.

Collectively, then, we are safe in saying that the various phases of college life have made a good start. Those organizations and persons who have not done so should get busy now and do their part to make this school year a success. And remember "Well begun is half done."

H. T. H., '25

## SCHAFF

Schaff's program on Friday evening was miscellaneous. The opening number was a piano duet by Misses Kuder and Barth followed by a reading by Miss Kathryn Shipe who in her usual charming manner held the attention of all present, in the production, "Masey at the Movies."

Next under the direction of Mr. Howard Herber, memories of "May Day" were vividly recalled to the minds of all.

One of the most outstanding numbers of the evening was a sketch, "A Kiss in the Dark." This was an English production and under the direction of Miss Snape, whose capable leadership and efforts were readily evidenced, proved a wonderful success and all participating in the rendition deserve praise.

Schaff Gazette and editorial was timely. Miss Shutack convincingly discussed the need and opportunity of the new members to participate in literary work.

Schaff welcomed into membership the Messrs. Roscoe Peters, Preston Haas, Owen Hoagland, Willard Kratz, George Haines, John Evans and Stanley Miller.

## ZWING

Zwing's program on Friday night was miscellaneous. Every number showed careful preparation and was thoroughly enjoyed. Miss Ehly, one of Zwing's most gifted musicians, sang delightfully "A Little Oon's Prayer" and "The Lilac Tree."

"The Trysting Place," a characteristic Booth Tarkington comedy, presented by an excellent cast, under the capable direction of Miss Carl, furnished much hilarity.

Miss Radcliffe read "The Day of Judgment" in an interesting manner. A good collection of daily headlines was presented by Mr. Welker. Miss Wagner and Miss Holloway played "Minuet in G." Miss Cornog read a splendid paper on Girls' Hockey.

"My Doll Shop," a clever little novelty, directed by Miss Shoemaker, was much appreciated. Mr. Slifer's political oration was a timely and interesting resume of the coming election.

Zwing "Review" was read by Miss Reimert.

Zwing was very glad to have so many visitors and extends a very cordial welcome to you.

## Y. W. C. A. MEETING

On Wednesday evening Edna Martin led a small but spirited meeting of the Y. W. C. A. in their room in the Library. After the singing of several hymns, Harriet Smith read the Scripture passage. Then followed an earnest prayer and a sincere talk in which the leader set forth the idea of the Y. W. on Ursinus campus.

Last week they heard of the usefulness of the Y. W. C. A. in the world; this week they considered the great value of the Y. W. on our own campus. To the extent that Christ is real to each girl in college, the Y. W. is helping. "We can be proud of our own organization because it helps new girls ward off that feeling of homesickness and helps old girls get a new outlook on life." It has been said that Christian students from foreign lands come to school in America only to lose their Christian belief. This can not be said of Ursinus. The big-sister plan, the Y party, the teas and hikes help Ursinus girls socially. Most interesting Bible study classes and mission study classes broaden our viewpoints and help Ursinus girls spiritually.

Miss Martin concluded her address by reading the aims of the Y. W. C. A. as stated on the membership card. The meeting ended with the Lord's prayer repeated in unison and the singing of "Follow the Gleam."

## Y. M. C. A. MEETING

The Y. M. meeting on Wednesday night boasted of some variety, by having a member of the faculty, Prof. W. R. Gawthrop, give the talk of the evening. The meeting was in charge of Geo. Kirkpatrick, chairman of the committee on life work and conferences. It was to this subject, "The Choosing of a Life Work," that the speaker confined most of his remarks. He stated emphatically that, "too little attention is given by the students to the problem of this choice." He explained further the necessity of making the choice as early as possible.

He first spoke upon the choice of a life work in general, indicating natural talents and one's inclinations as the only guide-posts by which anyone can plan his future course in life and feel with any degree of certainty that it is the one for which he is best fitted; but our "impartor of knowledge," from the chemistry department, soon swung into the channels with which he is best acquainted. In discussing the choice of Science as a life work, he pointed out the following characteristics as essential to a person's make-up; patience and perseverance; imagination; a natural curiosity that is almost overwhelming; and finally, a clear cut appreciation of the value of truth. He continued: "Science should be chosen primarily for a life of service and not for monetary gain. In closing he made plain the great future in the field of science by citing some of the scientific discoveries and applications made within the last twelve months."

Axel Nelson '26 left for his home on Friday, October 10th, due to failing eyesight. No news has been received from him since his departure.

## The Tower Window

I should like to see the alumni respond in large numbers to the membership drive of the Alumni Athletic Club. Practically every graduate and former student ought to be a member of this Club, because it is the one organization that carries on the work of building up the athletic equipment of the College. The membership fee is both a vote in favor of Ursinus athletics and a contribution toward the enrichment of Alma Mater.

It is remarkable what this Club, with no other funds than what it gathers through membership fees, has done within the past dozen years in the way of improving the athletic field, the Field House and Thompson Cage. Without its help we should have simply fallen so far behind as to have been dropped from the sphere of intercollegiate sports. Through its help, our athletics have been enabled to keep up in a manner, at least, with the progress of the College and the standards of athletics elsewhere.

And yet what important improvements are yet lacking completion from lack of means. With the help of the student body, the Club last year built the addition providing a heater cellar and quarters for student janitors. The heater for the cage was also purchased but it can serve no purpose until the steam pipes and radiators can be installed. The cage is used constantly now-a-days for physical training classes and is the scene of many evening social events. That this heating equipment should be installed before cold weather is imperative. Just see what your Five Dollars will help to bring about.

The Treasurer of the Club is Wallace C. Savage, 5811 Sansom street, Philadelphia. G. L. O.

## DEBATING CLUB

The regular meeting of the Debating Club was held on Tuesday evening at 6.45 o'clock, at which time "Battling Bob's" Campaign was helped along considerably.

The question for debate was "Resolved, That a Third Party Movement is Justifiable in the United States at This Time." Those debating were: affirmative, Mr. Heiges and Mr. Jacobs; negative, Mr. Haines and Mr. Maurer. Both sides presented very convincing arguments in favor of their propositions, and the judges were puzzled whether to decide in favor of Democracy or Bolshevism. However, it was decided in favor of the "Anarchists, Socialists, Communists, Progressives and Reds." But there was no hard feeling on the negative side, for one speaker, speaking for this side, declared that they were not at all "blue" because at heart they were really "Red."

Many participated in the general debate which followed and made the discussion interesting. Howard Herber gave a report of the recent convention of the Intercollegiate Debating Association, at Harrisburg, which he attended. George Kirkpatrick acted as chairman of the meeting. After the critic's report by Mr. Witmer, the meeting adjourned.

So many students at Franklin and Marshall College returned this year with automobiles that the college authorities were forced to enforce parking regulations to prevent the campus from being turned into a garage. It was announced from the chapel that for the present the cars will be parked around the gymnasium and in the rear of Diognothian Hall.

Herbert R. Brown, who was captain of the Lafayette College debating team last year, is at the present time instructor of English and coach of debating at his Alma Mater.

Lacking just five students to top the one thousand mark, Penn State this year matriculated its largest Freshman class ever.

## ALUMNI NOTES

If any reader of this column has news items about Alumni or ex-students of Ursinus, please send them to the Ursinus Weekly, Collegeville, Pa. They will help to keep the column interesting.

'18—From the "Targum," a weekly published by the students of Rutgers College we notice that E. Warner Lentz '18 was the speaker at the first Y. M. C. A. meeting at Rutgers this fall.

The matriculation records of Yale University show the following Ursinus men registered in the School of Law: John Newitt '22, Carroll Rutter '22, Max Flitter '24, Richard Hedrick '24. Charles Klopp ex-'25 is registered in Yale College.

'20—J. E. Wildasin was ordained and installed as pastor of the Dublin and Hilltown Reformed Churches of this State.

'17—J. Seth Grove and wife are the proud parents of a baby boy. Mr. Grove is Professor of Mathematics at Shippensburg Normal School.

'23. Dobbs Ehlman was in charge of a parish at West Hickory, N. C. He was well pleased with the reception given him by the southern people. Mr. Ehlman is now at the Central Seminary, Dayton.

'22. Myrtle Kimes was married to Harvey Smith of Phoenixville on Thursday, October 9, 1924. They will make their residence in Phoenixville.

'87. Chas. E. Wehler, D. D., pastor of Faith Reformed Church, Baltimore, is teaching one of the evening classes in the Central Y. M. C. A. of the city, giving a course of lectures on the "Life of Christ."

'98. Dr. J. S. Heiges, dean of the Cumberland Valley State Normal School, accompanied by Jesse Heiges, Jr., and Prof. S. S. Shearer, '16, head of the science department in the same institution, visited Ralph E. Heiges, '25, and saw the Swarthmore game on Saturday last.

The attention of the alumni is again called to the big week end of Nov. 1, 1924. On Friday evening, October 31, the Literary Societies will present their Hallowe'en programs. On Saturday the Haverford-Ursinus football game will occupy the main portion of the program. This will be Old Timers' Day and a large crowd is expected. In the evening the annual bazaar and dance will be held in the Field Cage.

'18. Purd E. Deitz wrote a challenge on "The Needs of Young People" which is published in the issue of October 18th of The Christian World. It is a real challenge. Rev. Deitz is located in Dayton, Ohio.

A decided increase in the number of hamburger shacks in the neighborhood of Columbia University has brought about the passage of a new zoning law to prevent further encroachment.

## HIGH LIGHTS

## A Collection of Quips and Cranks

"Let nobody be offended."

History used to be a popular study. It's more than that now, it's notorious. At least, almost everyone is talking about it.

We hope to draw big crowds now that the road from the boys' dormitory to the gymnasium has been improved.

"Would our flag be at half mast now because the other half is missing?" asked the student with the dollar bill.

Contractor Bisbing's "team" has been at work on the track since the opening of school. It should be in fine shape now.

The Freshmen class must have made a mistake when they elected their class poet. One of the other members submitted what he thought a poem to the English instructor. This was it:

"The leaves are on the trees  
The frost is in the breeze  
So girls cover your knees  
Or you'll begin to sneeze."

The Glee Club members are afraid to get their Tuxedos from Montgomery Ward & C. because they claim theirs are to be no coats of "mail."

Members of the Modern Language Group are anxious to know if a person who can say "rain" in fifteen languages besides "Dutch" ever gets wet.

It's quite a relief to see in the "Dairy report" that "registered" cows never produce sour milk.

The gridders were not the only representatives of the institution to go down to defeat at the hands of Swarthmore, as a number of the "home talent" lads were victimized by some of the talented co-eds.

## MEETING OF ENGLISH CLUB

The English Club, a comparatively new organization in Ursinus circles, held its first meeting of the year at Dr. Smith's home on Monday evening.

Dr. Smith acted as chairman of the meeting. The following officers were elected: President, Miss Wagner; Secretary-treasurer, Miss Radcliffe. An essay on Montaigne, a modern man of letters, was delivered by Dr. Smith. An animated discussion on problems of present day literature followed.

Under new business it was decided that the next meeting would be held at Maples. The program was concluded with a social hour and refreshments.

The English Club was first organized in the latter part of the last academic year, but because of other activities it met only four times. Upper class girls of the English-Historical group who are planning to teach English are eligible for membership. Meetings will be held every other Monday evening. The primary object of the club is to aid teachers of English to appreciate the modern authors. At present there are seventeen girls, most of whom are Seniors, enrolled.

## Dogs Devour Delightful Delicacies

On Wednesday evening the dog mascot of Stine Hall collected his little puppies together for an old-time revival meeting in which the newly born were taken into the family circle. An extensive program was offered in which Rover Oberholzer barked his way with vicious snaps into the hearts of the other canines with "Dr. Jekyll and Mr. Hyde." The yelps of the hounds became deafening when Fido Piscator brought the bones and some sweet cider.

The pack then huddled in front of the lightning glare of the photographer and in spite of the restlessness of the younger pups a photo was snapped. The brightness of the moon awakened the whining instinct of the dogs and after a few howls all cuddled into their beds.

## URSINUS DEFEATED

(Continued from page 1)

detected off-sides and Ursinus got the ball on Swarthmore's 1 foot line with four downs to make the goal line and a few minutes to play. Three line bucks failed to gain and then Erb called a forward pass. Every Ursinus man was covered by the opposing players so Erb started around right end. Stafford, who had gone out to receive the pass and drawn Swarthmore backs over immediately displayed "football sense" by blocking out the secondary defense and Erb ran across the goal-line for a touchdown. Tumult broke loose and the crowd rushed on the field but was immediately rushed back. Coach Zimmerman rushed Hoagey in to try for the point after touchdown but an Ursinus back blocked the kick.

Schell kicked off to Korn who was downed on his 25 yard line just as the game ended.

For Ursinus Erb, Derk Sommers and W. Moyer stood out in the backfield while the whole line played well. Swarthmore gained very little through the Ursinus line. Yaukey and Clark broke through several times and hurried both the passer and kicker. Stafford and Capt. Evans tackled ferociously and caught several nice passes. Little "Louie" Vanaman outplayed Best, Swarthmore's 250 pound guard, throughout the entire game. W. Moyer, who replaced Derk at fullback, passed and kicked like a veteran.

Korn, Wilcox and Evans played brilliantly for Swarthmore.

—U—

David Stevenson '26 who was making his way to a varsity berth on the football squad, has been suffering from a sprained ankle since Thursday, September 9th.

## STUDENT VOLUNTERR HIKE

Late Thursday afternoon all of those who were interested in some form of missionary service in the foreign field met in Bomberger and proceeded to find "Lost Lake."

As soon as the volunteers arrived there, a campfire was built and arrangements were made for the "doggie roast." At this time everyone seemed to have been seized with a sudden fit of hunger, dogs by the dozen were burning in the campfire and marshmallows were sharing a similar fate. With the "array of good eats" and the songs everyone thoroughly enjoyed the evening meal.

After the meal was finished, they had the pleasure of having as guest Mr. Ethelbert Yost, '21, who had just returned from missionary work in China. He was asked many questions concerning many phases of student volunteer work.

Due to the fact that there was no election of president last year, Miss Edna Martin '25 was unanimously elected. The next meeting is to be held on Thursday evening, November the sixth.

With a cheer for the chaps, Miss Mentzer and Miss McGowan, and the wishes for a prosperous year, everyone turned their happy hearts homeward.

—U—

## MANY BROTHERS AND SISTERS

(Continued from page 1)

The Evans twins from Lebanon both represent the Senior class while John Bisbing from Royersford has a sister in the Freshman class. Sam and Katherine Reimert from Allentown are in the Sophomore class. Anna and Howard Fritsch, of Narberth, and Grace and Horace Poley, of Limerick, complete the list and belong to the new class.

Strange to say none of these sets of brothers and sisters are so nearly alike as to make their identity very difficult, the Haines brothers and Berger sisters making the nearest approach.

—U—

## DELAWARE CAPTAIN WEDS AFTER URSINUS GAME

William D. McKelvie, captain of the University of Delaware football team, sneaked away to Elkton, Md., on Saturday night after the game with Ursinus and was married to Miss Lillin Apgar, of Washington, N. J.

The bride attended the Ursinus-Delaware game at Collegeville and after the game journeyed with McKelvie to Elkton. The couple had planned to keep them arriage a secret but the team mates of McKelvie unearthed it. The marriage was the culmination of a romance which started eight years ago at the Washington, N. J., High School, which both attended.

## W. S. G. A. FIRST MEETING

(Continued from page 1)

marks in which she made mention of her appreciation of the welcome and co-operation given her by the girls.

She outlined her plan for vocational conferences for girls desiring to enter some profession other than teaching. She also expects to begin a register of alumni who are teaching, which can be used as a recommendation in securing positions. In the near future Dean White is expecting to attend the Conference for Deans of Women, and from it she can get ideas of what other college girls are doing.

The meeting was then turned over to the Womens' Athletic Association, of which Miss Evans is president. Hiking and hockey were discussed as recreations for the girls at this time of the year. Girls are required to sign up with their hall president for all hiking.

An urgent plea was made by Miss Evans for more girls to come out for hockey. This was later emphasized by Miss McGowan.

A committee consisting of Misses Stevenson, Kimes and Derr was appointed to nominate a chairman for the hiking committee. It was also decided that meetings should be held once a month to discuss all matters of importance in athletics.

'24. Charles H. Miller is teaching History and English in the Columbian Preparatory School, Washington, D. C.

'15. John H. Beltz, who has been engaged in the cigar business with his father for several years, is studying chemistry at Columbia. Mr. Beltz, before going into business had studied chemistry at Edinburgh and Harvard.

'21. Ethelbert B. Yost, a teacher of English in the Eastview Boys School, Shenchowfu, Hunan, China, during the past two years, after spending several months in travel in the Orient and Europe, has returned to his home in Collegeville.

'23. J. Harley Hunter occupies a position at teacher of history in Goddard Seminary, Barre, Vermont. Goddard Seminary is an old and well-established co-educational preparatory school.
